

March 18, 2020

Church Weekday Ministry Families:

We understand that this past week has been difficult and there have been a lot of questions. We apologize for our delay in response but wanted to confer with other agencies and our church weekday ministry committee to make this decision. We have been praying for you and your children and miss them greatly.

First Baptist Belton Church Weekday Ministry, has decided that it is in the best interest of our community to follow Belton Independent School District to remain closed to students through April 3, 2020.

First Baptist Belton Church Weekday Ministry has decided, in an effort not to burden our families during this time, that we are freezing all billing from March 13-April 3. Any payments that have already been made will be credited toward future bills. During this time families will not be making tuition payments. We will continue to pay all our staff at their normal rate and schedule during this time. They will be doing professional development to better care for your children. We want to make sure and care for each part of our CWM Family during this time, but please understand that this decision will nearly exhaust our savings.

We will be posting resources and activities to Class Dojo to help you during this time and invite you to send us messages and pictures that we may feature in our posts. We are working on a list of teachers who may be willing to assist families with childcare on an individual basis. If you are interested in this list please email nicola.vaughan@fcbelton.org

We are planning to reopen on Monday, April 6th and will communicate an update by April 2nd at 12 pm. If you have individual questions, please email Nicola.vaughan@fcbelton.org.

Please refer to www.fcbelton.org for the most recent update from the leadership of First Baptist Belton.

Thank you,

Craig Pearson
